

Friday 1st October

Dear Parents/ Carers,

This week, the children have been enjoying exploring all things Autumn! They have been creating their own Autumn scenes and telling stories using woodland creatures. The children used a collection of leaves and conkers to create their woodland scenes, make repeated patterns and support their counting skills.

Next week we will continue to focus on Autumn as well as discuss the Harvest festival. We would love to see photos on Tapestry of any autumn or harvest themed activities that you take part in.

During our fiddly fingers and handwriting sessions, we have been developing the children's cutting skills. To remind children how to hold their scissors correctly, we have talked about Tommy Thumb and Peter Pointer. Please continue to practice this skill at home and upload any photos or videos to Tapestry.

We have started to introduce our learning zoo in Reception. These are animals that encourage characteristics that support the children with their learning. So far, the children have found out about our 'Proud Peacock' who encourages the children to be proud of what they do. The children are enjoying having work put up on our Proud Peacocks displays in the classrooms.

Next week, the children will be finding out about our 'Go for it Gorilla' who encourages the children to have a go even if they are unsure.

It has been lovely to see photos of the children engaging with their homework. You will see new homework has been sent home today. Please continue to upload any photos and videos to Tapestry.

SHOW AND TELL ON FRIDAY – YELLOW IVEL

Best wishes,

Mrs Webber, Mrs Undrell , Mrs Shorrock and the Reception Team
