Welcome back

It has been great to see the children coming back to school for the Spring term. They have settled back into their school routine so well. We wish you and your family all the best for 2022.

Stretching, curling and arching

Year 3 have been looking at different ways to travel across the floor this week by stretching, curling and arching. The pupils used their imagination to travel in different ways.

Design Technology

Year 3 children have been making pizzas. They have been planning how to make them and looking at fractions of their pizza. They have then gone on to look at healthy eating and what toppings would be healthier than others. This morning the children have been kneading dough and then using their pre-planned designs to make their pizzas.
