Tennis Festival

Year four had great fun participating in the Tennis festival hosted by Redborne. The children learnt lots of new school and were fantastic ambassadors for Gothic Mede.

Climate Change

This week Willow class have taken part in the Great Science Share for Schools 2022. We learnt about climate change and how we can play a part in slowing down the effects of climate change. We then used our working scientifically skills to ask questions and to carry out our own ice cube investigation to find answers to our questions.

Etonbury sports day

Year four had a fantastic trip to Etonbury for a sports day last week. We enjoyed meeting other schools and competing in a wide range of activities.

Celtic Harmony – Year 3

Last week our Year 3's headed off to Celtic Harmony for a trip to support their current area of learning.

Levi from Sycamore class wrote,
The trip was very active and fun. I felt sad when we left because it was so much fun. I learnt more about the Celts and Romans that I already did.

Molly from Sycamore class wrote
Year Three's unbelievable trip at Celtic Harmony went like this. We went to a place named Celtic Harmony so we could learn more about our wonderful unit about the Celtic warriors. First of all we went to the chief's roundhouse and it was humungous and we had a very funny commander. We were talking about the Celtic army and how we were going to defeat the Romans. Our other activities were archery, making clothing and doing people's face paint, and we also cracked a code by doing a hunt. It was an amazing trip.
