Reading Books

- Books will be changed on **Thursdays** every week. We encourage you to re-read the book with your child a number of times throughout the week.
- Please record each time you read in their reading record diary. If no entries are made we will assume the book has not been read and it will not be changed.
- Please keep the book in your child's book bag so that it is available if an adult in school needs to listen to them read.
- Reading/phonics information session for parents/carers: Wednesday 15th November 9am and 4.30pm

Homework

- Your child will receive spelling homework each week on a Friday which is to be completed by the following Thursday. Children need to keep their spelling homework folder in their book bags all week.
- Your child will receive maths homework each fortnight on a Friday to be completed and handed in the Wednesday of the second week.
- There will also be a termly 'Star Challenge' which will be given out with a date for return towards the end of the term. This will be topic based. There will be clear success criteria and feedback linked to the Star Challenge.

Attendance

Excellent attendance to school is of paramount importance. Pupils cannot achieve their full potential if they do not regularly attend school.

Why is good attendance so important?

- Allows children to flourish and achieve their full potential at school
- Pupils who miss large amounts of school do not achieve as well as those who attend regularly. The DfE guidance 2022 Working Together to Improve School Attendance states *"The pupils with the highest attainment at the end of KS2 and KS4 have higher rates of attendance over the key stage compared to those with the lowest attainment."*
- Good attendance habits follow through from primary to secondary school and then on into employment
- Enables economic well-being later in life

How do we address poor attendance at GMA?

A pupil with attendance of 90% and below is defined as being a **persistent absentee**.

We have a duty to address poor attendance. However, we hope to do it in a supportive way and work with the family.

If your child's attendance starts to become a concern, we will speak to parents / carers in the first instance. If there is no improvement, parents / carers will receive a letter and may be invited in for a meeting.

In the most extreme cases, if a child's attendance continues to fall, parents and carers may be asked to provide medical evidence for absences and the School Attendance Officer may become involved.

Absence Procedures

If your child is going to be absent from school, you must inform the school office via ParentMail or by phoning the office on 01462 732002. You must report your child absent by 8.55am each day they are absent.

For planned absences, a Leave of Absence Form must be completed. These can be collected from the school office. Absences will only be authorised for exceptional circumstances.

P.E

Elm class have P.E on Tuesday and Friday. Please ensure your child comes in wearing their PE kit on these days.

Earrings should not be worn on P.E days.
