

# Year 4

We would like you to research a historical event to present to the class. This could be something you have learnt about in school previously that you would like to learn more about or it could be a new area of history.

Please present your work in an interesting way, for example, as a PowerPoint presentation, a video recording interviewing someone with knowledge of the historical event (provided you have the permission of the person you are interviewing!), a poster, a report or a leaflet.

This work must be handed in no later than **Friday 15th March**.
