ROCK STEADY ASSEMBLY

We were delighted to welcome Rock Steady Music School into school for a high-energy, interactive assembly this week!

Pupils were introduced to a range of instruments including electric guitar, keyboard, drums, and vocals – and even had the chance to join in! The assembly inspired lots of excitement about making music and showed just how fun and rewarding it can be to be part of a band.

Rock Steady offers a fantastic way for children to explore music and build confidence. Please check ParentMail for further information.

A big thank you to the Rock Steady team for an inspiring and memorable session!

YEAR 1 ASSEMBLY

It was fantastic to see so many parents/carers at our Year 1 assembly on Tuesday. The children's hard work and practice came together as they entertained us with a trip around the world including leaping kangaroos, huddling penguins, and great knowledge about different continents and countries.

They rounded it off with a great rendition of the 7 continents song. Well done Year 1 - we are so proud of you all!

YEAR 3

The Year 3s have been learning about Egyptian art. This has involved making Egyptian scrolls from our own papyrus. We look forward to adding our designs and colour.

This week we also had the opportunity to take our science learning outside. We planted seeds which we will be watching grow in the classroom.

Golden Book

Children are nominated by Teaching Assistants and Teachers for a Principal's award which is entered in the Golden Book. The award can be for living one of our Values or special achievement. Sporting awards/achievements gained through a regular commitment to a club or group are also celebrated.
