## **Operation Encompass**

Gothic Mede Academy are part of an initiative that runs jointly between schools and educational settings, Central Bedfordshire Council and Bedfordshire Police. Operation Encompass focuses on early notification to schools / provisions of any reported domestic abuse incidents which occur outside of school and might have a significant impact on a child in school.

The information is passed to our Key Adult in confidence so that we can support those children immediately following an incident. A designated Operation Encompass Support Officer will be available to the school and to parents / carers to build relationships and offer support and advice to those who feel they would benefit from information around domestic abuse.

We are very keen to offer the best support to all our pupils and we believe this initiative is extremely beneficial for all those involved.

Please refer to our website for further information.

Yours sincerely

Tom Clarke  
Executive Principal
