

## Arts around the World Week

Last week, each year group learn about a country/continent and, focus on art forms from that area of the world. The children took part in dance workshops, African drumming and Samba music workshops and a large variety of arts activities from designing and making African masks to designing Greek pots during the week. At the end of the week, the children performed to each other in an assembly. This is a great opportunity to link many areas of the curriculum together - Art, Geography, PE, Music, DT, and some year groups also planned maths and English lessons to link into their country. ## British school museum

Yesterday, as part of our Victorian Schools topic, Year 2 went to the British Schools Museum in Hitchin. Dressed up in our Victorian costumes, we experienced a lesson in a Victorian classroom which included writing on slates, using ink pens and receiving Victorian punishments! It was also fascinating going round the Headmaster's house and learning about everyday Victorian life. Year 2's behaviour was impeccable – they lived the school values and asked lots of interesting questions. All in all, a brilliant trip. Thank you to all the parents who helped on the day.

## Wrest park trip

Yesterday year 3 visited Wrest Park. The children could handle roman artefacts, make roman coins, and explore the grounds. They all behaved impeccably and the weather was kind. Thank you to all the parents who helped on the day.
