Maths Award

This half term, Phoebe gets the Maths award. Phoebe has really progressed in her mathematical reasoning over the year in Maths. Her tenacity and inquisitiveness has enabled her to tackle problems that she would have found difficult earlier in the year. She has demonstrated commutative law on a number of occasions and has excelled in representing her calculations through a range of practical, pictorial and abstract ways. We are very proud.

Quad Kids

Big well done to our Year 4s who yesterday attended Quad Kids. This was a sporting event and we were up against other local schools. Great news - WE WON!

Kidzania

Year 3 had a great time at Kidzania last Friday. Ryan from Chestnut class told me about his day 'We travelled by coach to London and Mr Clarke even came with us. When we arrived we worked in groups, so we could do different activities. We were all given £50 pretend money to use to get a job. I worked in the pet store, washed cars and worked in H and M.

It was so much fun and I would definitely do it again'

Music Assembly

What a wonderful Music Assembly this morning. Such great talent from our pupils playing violin, guitar, piano and recorder. The choir and recorder groups joined in too. Well done to all involved.

Gardening club

Some reception children attended gardening club this week. They had a great time making their own gardens.
