

Internet Safety Talk

We were very lucky to have a visit from PCSO Willams and Paul from Bedfordshire Police who spoke to our year 2 to 4 children, and some parents about being safe on the internet.

Both children and adults found the event very useful.

Well done Year 2

What a super assembly this morning, showing us all you have learnt about the Victorians.

Bikeability

Some of our Year 4 children have had the experience of learning or increasing their learning in how to ride their bike safely this week.

Year 4 Transition continues

It is lovely to see local schools working together. This week, Mrs Newman came into school to see Year 4 pupils going to Henlow Academy.

Open Evening

On the 3rd July there will be an open evening at school from 5.00pm to 6.30pm. The evening is to give parents and children the opportunity to visit their current classroom and their new classroom. Your child's teacher for next year will be announced on their school report which is due out on the 28th June 2019. Please note that Mr Warlow is out of school on that day, however he will endeavour to be back at school for the open evening.

Parking

When dropping off and collecting your child from school, please can you not park in the staff allocated bays and spaces outside/opposite the village hall. The council staff are unable to park when they arrive causing them to be late for work.
